

# SOLO FIT SMART SUIT SIZING CHART (2024)

SOLO FIT's Smart Suit is unisex and comes in 7 sizes. Smart Suit is made from durable, anti-microbial flexible, fitting material. chart below is an approximate size guide. Please follow manufacturer care instruction.

It is important for SOLO FIT Smart Suit to fit tight, so the electrodes are snug to the body, but not so tight that it restricts movement. Although durable, the Smart Suit is constructed with embedded technology and electronics, so selecting the right fit is important to minimize extra stress on the components. Use the chart to choose the size closest to your measurements. Use of a compression shirt or shorts on top of the suit may be necessary for those whose lower body and upper body does not match within the same size.
